### **Suggestions:**

1. Use Niceville/Ft. Walton Beach area as the host of all future HWSA national tournaments.
2. Ensure that the field managers have extra toilet paper and drinking cups available (particularly at the Twin Oaks Park).
3. Develop a “music” policy for the PA system.
4. Add a third field manager to the baseball tournament.

### **Thanks to:**

1. Lori Cochran for providing on-site meals for the field managers. On Friday and Saturday, I was not even able to leave the fields. It was a great help!
2. Jay Johnson, a parent of a Dallas Angels player, went to the store and bought extra toilet paper and paper towels for the Twin Oaks Park restrooms.
3. Mary Dickens of Ft. Worth Riders bought extra dugout cups for the players; she also brought me one of my on-site meals.
4. Dennis Durrett-Smith of Atlanta Barons for his entertaining PA announcer abilities, as well as his willingness to “pick up” trash after the games.
5. Wayne Alsup of Nashville Monarchs for his willingness to help wherever he was needed—grounds maintenance, trash hauling, water cooler, foul ball retrieval, etc.
6. Andy Ellwood of Dallas Angels for his “competent” PA announcing skills at various games.
7. My son, Joseph, who helped me with ground maintenance (raking), water cooler, scoreboard, and foul ball retrieval.
