Special thanks goes to Jim Kill (Atlanta, GA) and Mark Romano (Houston, TX) for their whole-hearted service to HWSA and the 2003 participating players, coaches, and families. These men volunteered to serve us and made the 2003 Softball World Series through their critical job as Field Managers.

We also appreciate Dennis Durrett-Smith for sharing his God-given talents in announcing the Championship Game and following Awards Ceremony. Our gratitude also goes out to Chick Durrett-Smith for managing T-shirt and cap sales during the games.

Our hat is off to John Bennett for coordinating and managing Concessions—on the Honor System! Mike Simpson was also of great assistance.

Deepest gratitude is extended to Jim Paul for sharing his softball expertise in the scheduling of games, softball rules, and in locating additional softball teams. The 2003 Softball World Series was made possible in large part due to Jim Paul.

Thank you to all the coaches, players, and teams who took the time to encourage us in the good work for God's Kingdom that we are doing. May God richly bless you! We appreciate those of you who have sent in Evaluations of the World Series! Your feedback helps us in planning a better World Series for next year!
