

Dear HWSA 2016 Team Reps, Coaches, and/or Housing Coordinator,

We are required to submit a Housing Report to Polk County, Florida at the end of our tournament. Although your team is free to make whatever housing/hotel arrangements you choose, we have asked that you find your accommodations in Polk County. There are many options including tent camping, motels, hotels, condos, and vacation rental homes. Staying within the boundaries of Polk County helps HWSA have access to the world-class baseball fields at Lake Myrtle Park in Auburndale. To find housing within Polk County, go to the Visit South Central Florida housing link here: [www.visitcentralflorida.org/find/accommodations/#](http://www.visitcentralflorida.org/find/accommodations/#).

Please have someone from each team capture the following information and email to us by **April 15** to [cheryl.hwsa@gmail.com](mailto:cheryl.hwsa@gmail.com). We do need accommodation name, city, state, and zip, # of rooms/units, and # of nights. Examples are shown of how to list a hotel, condo, or vacation home rental.
