	Tad Preston		Assistant Coach

The Dallas Angels are part of the Home School Athletic Association (HSAA), established in 1995 to provide homeschooled athletes the opportunities to participate in competitive middle school and high school athletic events in the Dallas area. The Angels have four full squads in their baseball program, including two middle school teams, a junior varsity team, and a varsity team. Leadership is strictly voluntary, with no paid coaches or staff. The Angels compete against many private and some public schools in the Dallas-Fort Worth area during the school year. In the past eight HWSA national championships, the Dallas Angels have placed: 1st (2005), 2nd (2004), 3rd (2007, 2003, 2002), and 4th (2006, 2001). Check us out at www.hsaa.org.
